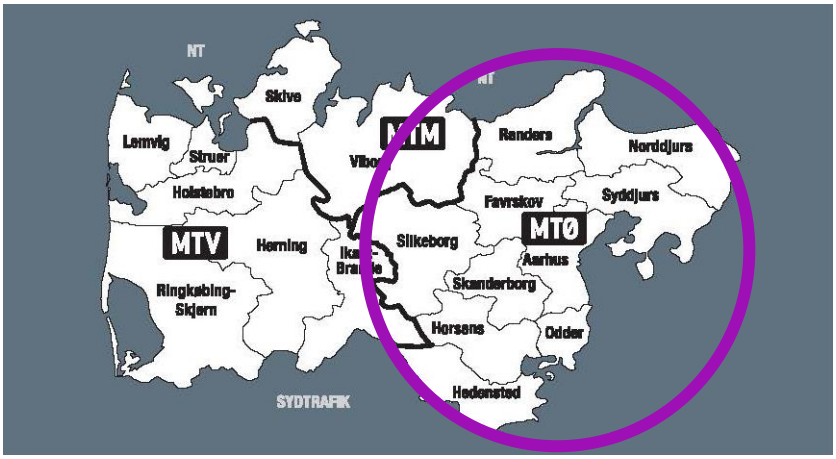
If you are a boarder - read this!

If you are going to live at the boarding school and want to apply for an Ungdomskort/Youth Card, do NOT apply from your home address!
Instead, you need to apply from ”Skolehjem”, stating the address of the boarding school:

Fuglevænget 84
8500 Grenaa

This always applies - whether you have changed your home address to that of the boarding school or not!

(Sometimes, the website will not accept your 'from'-address and says that there are no available routes! In that case, try to write f.ex. "Grenaa Trafikterminal". If you still have problems, call Midttrafik at +45 7021 0230 - make sure to be logged on with your MitID when calling.)

Since the school administration must confirm that you are living at the boarding school, you must inform us that you have applied for a youth card.
Send an e-mail to: gg@grenaa-gym.dk where you give the following information:


- your full name
- the first six digits in your CPR.no. (dd.mm.yy)
- which education you are starting: STX, HF, Pre-IB or IB
